Tis the Season....

This time of the year is so magical and full of creativity and imagination. We have so much planned for our little ones designed to encourage their sensational imagination, empower their educational abilities and introduce them to the magic Tiny Tots and Tumblers has to offer! Please be sure to read through your class newsletter below for important dates to take note of. Here is a quick guide list of those important dates:

1st week of December: We are in need of Diaper wipes. If you are able to donate a pack or 2 we would very much appreciate it!

Small donations will be accepted for our afternoon pre-K school store project. The children will have the opportunity to learn about money and supply/demand by purchasing items from our store. See your teacher for more information.

Begin saving and bringing in your used wrapping paper rolls for our January craft.

December 19th: Please have your wrapped *well labeled* gift turned in on or before this date for our special guest to deliver at the party

December 19th & 20th: Classroom book exchange. If you want to participate please bring a pre-wrapped book to your child's class **on or before December 12th.**

December 21st: Classroom holiday parties and Potluck (look for sign up in classroom)

9:00-10:30 Tu/Tr am and afternoon Pre-K class parties.

11:00-12:30 mon/wed/fri morning class party

December 22nd –January 2nd: Winter Break NO SCHOOL. Classes resume again Tuesday January 3rd.

We hope you all have joy and peace in your homes this holiday season.
We look forward to seeing you all in the New Year!

Ms. Melissa's 2-3yr old class

I would like to thank everyone for bringing food for the Thanksgiving feast and for making it in for conferences, I love sharing how much the children have grown since only August.

December will go by fast, but we still have a lot to do. We will be talking about winter all month such as what clothes we wear in winter, what are some things we see in winter (snowman, snowflake, snow), and we will talk about some animals that like the winter/cold (penguins, polar bear, reindeer). This month we will also be doing a lot of fun winter/holiday crafts. The letters we will focus on is Y and D, and we will also talk about opposites.

Please see below for a few important dates to remember during December.
If you have any questions please let me know,

Thanks,
Ms. Melissa

Happy Holidays!!

Thank you for everyone who volunteered to bring food for our Thanksgiving feast. We know not everyone had the opportunity to bring something this time around, but we have big group and will not always need 20 different things for parties. There will be other chances to bring supplies/food throughout the year, we appreciate your willingness to donate.

We would also like to thank everyone for coming in for a conference. It is great to get to sit and talk with all of you. If you did not get the emailed copy of your child's assessment (only Ms. Melissa's group) please let us know and we will get you a copy.

During the month of December we will discuss the winter season. We will talk about different things we can do in winter, along with what animals do in winter (hibernation). We are also going to spend some time doing different holiday crafts and activities. Along with the winter/holiday things we will spend a little time discussing money. Some of the things we will talk about include; what money is used for, what kind of money there is (paper, and coin). We are also going to take some of this time to review the letters that we have covered so far this year including the ones introduced this month Y and D.

If you have any questions please feel free to talk to us.

Thank you and have a happy holiday season!

Ms. Melissa and Ms. Mikayla

Happy Holidays!!

The month of December will round off the first half of the year! It's hard to believe and I am so proud of everything my class has accomplished! Also, thank you so much for everyone who signed up and brought stuff to the Halloween party and Thanksgiving Feast! We are always appreciative of parents who support our program! For the month of December, we will focus on the themes of winter, hibernation and Holiday crafts and fun! We will also work on the concept of money, and will be participating in our school store. Donations for the school store will be appreciated! We will make a countdown to Christmas and write a letter to Santa Claus!! We will spend some time this month reviewing the letters and the numbers we have already gone over. We will also work on the concept of sequencing, which coincides with our author of the month, Jan Brett. The kids have all been doing so great at letter formation and learning to spell their last names! Again, I am really proud of everything that they have accomplished so far and am really excited for the second half of the year.

The month of December will go by really fast, but we do have a couple of important events going on. We will have a book exchange on Tuesday, December 20th. Each child will bring in a wrapped book for the gift exchange and leave with a new book from the book exchange! We will also have our holiday party on Wednesday the 21st from 9:00-10:30. This year things will be a little different and we will be having a potluck! Look for more information to come! December 21st will be the last day of school in December and classes will resume on Tuesday, January 3rd.

Have a Happy Holiday!
~Ms. Mikayla
