### Optional 1 Girls Say it All

This month we're highlighting the girls on the Optional 1 team. Here are their answers to our question 'What do you like about gymnastics':

**Jaylee:** I like how we have routines.

**Erin:** I like how the power in tumbling makes you feel like you're flying. I also like that you get to show off your skills at meets.

**Brekyn:** I like the tumbling and meets. The back flips are my favorite.

**Melina:** Learning new skills and doing my routines!

**Shannon:** I like how we tumble by the skills that we're good at. I also like how at the meets we cheer each other on and how we are all like a nice family.

**Laura:** I like how my coaches are supportive. How they help me get a new skill.

**Kellie:** What I like about gymnastics is all the nice people here. Also I like the skills we can

learn and practice, and the strength and stations. The End!

We'll hear from the Optional 2, 3 & 4 girls next month along with Maddie, Ella, Courtnie and Sloan.

### Summer Camp - July 18th - 22nd
